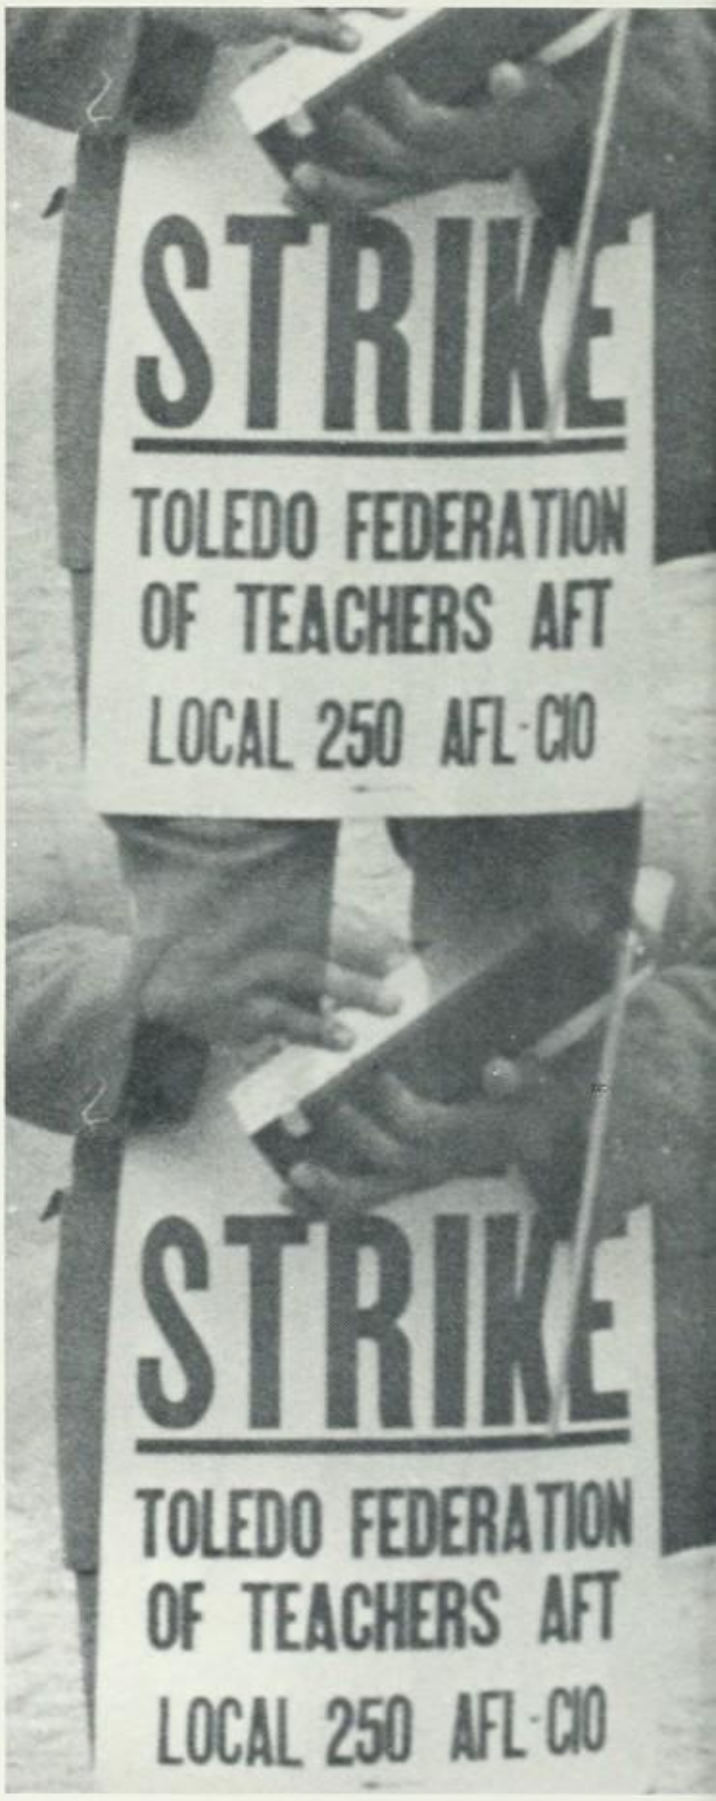
Teachers assume positions during strike.

Sister Emily subs during strike.

Smiling cafeteria workers respect boundaries of picket line.

September 9, the beginning of the 70-71 school year, Scotters were greeted by an absence of teachers from classrooms. A strike by Toledo Teachers over salary and contract agreements, the first week of school posed a hectic problem as far as management was concerned. Several days when student attendance was near normal, confusion reigned because of incomplete schedule changes and an insufficient number of staff members to man individual classrooms.



Mixed feeling on part of teachers were seen as settlement talks dragged on and then were discontinued. Envoking of the Ferguson Act ended the strike as such, while it was promised that the talks would be continued. Since then there has been a small monetary compensation for the teachers but nothing specific concerning the contract agreement.

...on the taxpayer suit of Edward Gentieu, of 2111 Copley Dr., asking that the Ferguson Act be invoked. The act prohibits strikes among public employees.

Judge Kiroff said that he would sign a ruling ordering the board of education to invoke the Ferguson Act at 4:15 p.m. if negotiations have not produced a settlement.

He said that he was delaying enforcement of the order at the

...other end of the scale — the maximum amounts paid.

Some districts with higher ...with a bachelor's degree, was the same as Cincinnati, Cleveland, and Canton, falling behind Dayton and Akron, both with $7,100, and ahead of Columbus, with $6,750, and Youngstown, with $6,250, among the state's major cities.

The figures are those reported to OEA during the summer, and do not reflect recent contract settlments, an OEA spokesman said.

Rossford Leads State

Rossford, with a beginning salary of $7,400, leads all other school systems in the state.

At the maximum level for teachers with a master's degree and the maximum pay for longevity, Toledo, with $11,000 falls 22nd in the state.

Akron, with a maximum of $13,225 at the master's level, leads the other major cities, with Toledo at the bottom of the list.

Columbus pays $12,988, Dayton $12,740, Canton $12,526, Cleveland $12,400, Cincinnati $12,245, and Youngstown offers its teachers $11,437 as a maximum with a master's degree.

All figures reflect the maximum with the degree and top step on the experience scale, and do not take into account education beyond the degree because each system uses different standards.

Hours Beyond Degree

Some list the top at 15 hours beyond a master's or bachelor's, some 10, some 30, and others in between, so for uniformity, figures are compiled only on the basis of the degree and number of years, the OEA spokesman said.

Teachers, Board Agree Tentatively To Arbitrate

Outside Expert, L-M-C Slated To Handle Issue

A school strike expert from the American Arbitration Association and a three-member mediation team from the Labor-Management-Citizens Committee will be asked to mediate Toledo's public school teachers strike.

But union leaders said the strike will continue during negotiations, and school board spokesmen said schools will remain open.

Agreement on mediation was reached tentatively shortly before 11 Friday night, following almost three hours of negotiations in the Commodore Perry Motor Inn.

To Formalize Plan Today

Top negotiators for both the school board and the striking Toledo Federation of Teachers plan to meet today to prepare a formal request, asking the L-M-C to enter the case.

School Board Refuses Talks

Direct Negotiation Asked By Teachers

Toledo board of education members have refused a request from the Toledo Federation of Teachers to enter into direct contract negotiations with union officials in the present wage dispute.

Today, however, President William N. Thomas said that he ...uldn't hesitate at all" to re-...ister if it appeared later that ...uting to a deteriorating image of the teacher in Toledo."

The bargaining has been at a standstill since Monday, when talks broke down and the Labor-Management-Citizens Committee mediating panel called a recess.

John Straub, board member, said today that he believes the administration team will not go back to the bargaining table unless the federation first is willing to make a "realistic, substantive counterproposal."

Mr. Thomas said that was also his interpretation of the present stalemate.

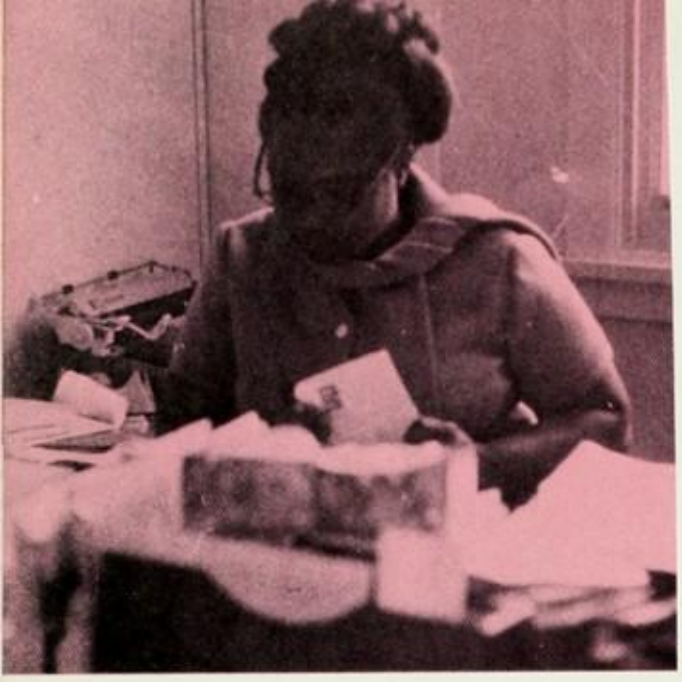
SCOTT



Busy at a day's work . . . .

But always a bright smile.

A TRIBUTE TO AN EDUCATOR; COUNSELOR; FRIEND

We hope all Scotters will unite with us in paying tribute to Mrs. Gracie M. Stewart, who has lona been a distinguished member of our administration.

Mrs. Stewart attended Brighton High School in Alabama where she was in the National Honor Society and Valedictorian of her class. Majoring in mathematics with minors in English and Physical Science, she graduated from Toledo University having earned a Bachelors Degree in Education, and later obtaining a Master's Degree in Guidance and Counseling. She taught mathematics for six years at Scott, served as Department Chairman one year, as counselor for the past 6 years, and for the past two years has been Assistant Principal in charge of Counseling.

Because of her sincere interest in helping youth, Mrs. Stewart has been a valuable person to students seeking college counseling, course instruction or just plain old everyday advice. She is an Upward Bound Co-ordinator, on the Y.W.C.A. Board of Directors and a Co-chairman advisor to the Y-Teens, Math Club, and National Honor Society.

Mrs. Stewart is also undoubtedly a very loyal and active "Bulldog". Whether it be in taking charge of a bake sale, wearing spirit tags, or equaling the enthusiasm of any student at a football game. She is a person the students can relate to and feel comfortable with and we are proud she is one of "us."

For the past three years a great deal of school spirit and pride has been generated at Jesup W. Scott High School. We are in the process of creating a new image of this school. In creating a new image, we are weaving pictures of Scott just as various patterns of stars weave pictures in the heavens. Patterns of stars represents unity, beauty, purity, and high standards. The new picture of Jesup W. Scott High School that has begun to take shape represents unity, beauty, and high standards.

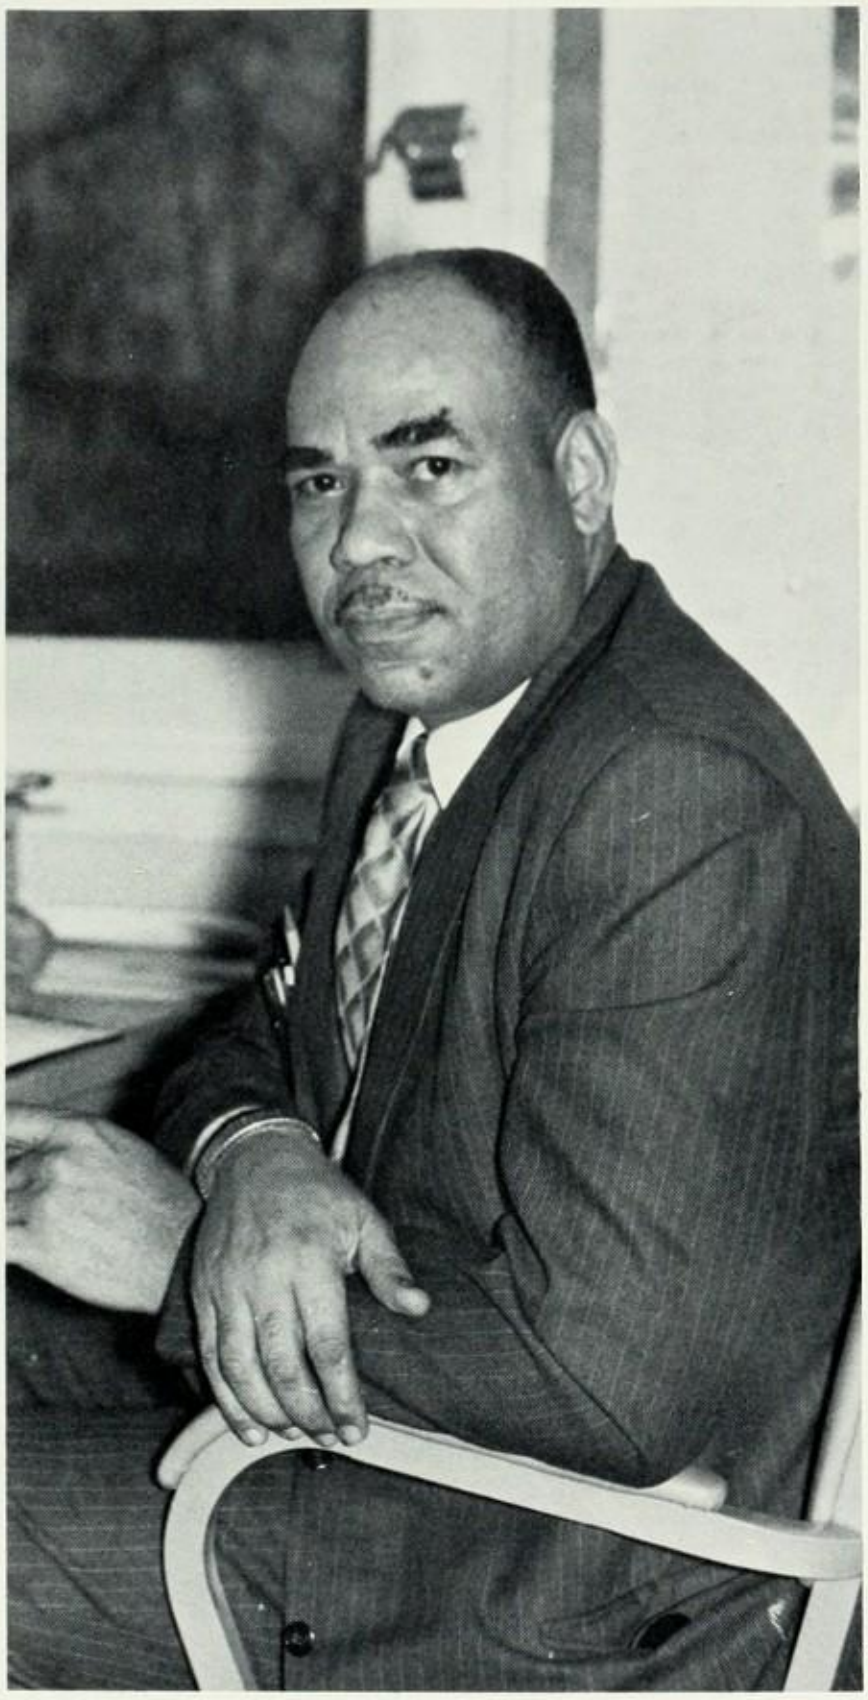
Mr. Rice and Mrs. DeLamater share ideas on the instructional program.

During construction of the new office area, the school office was temporarily located along the 1st floor corridor.



Mr. Wayne Graham

Assistant Principal—General Administration and Instruction

After three years of a new administration at Scott, many of the goals are being met. A new curriculum, designed especially for Scott students is in full operation.

With teacher-student-community cooperation, Scott has a new resource center, believed the best in the Toledo public schools and a new stadium.

Many of our classes are vocationally oriented with on-the-job pay and training. Future plans call for electronic classes, automotive shop classes, more years of foreign language, and more classes in remedial reading.

SENIORS

To the Class of 1971:

By this time in your academic and social lives, you no doubt have a fairly well-established set of values. Hopefully, Scott High School has helped in someway, to instill in you, those values which will prove beneficial as guide posts for your future.

As an advisor to the Class of "71", I wish each of you the very best in all your endeavors. Remember, life is made of many ups and downs, and often it seems you have only the "downs" or the hard times. But, it's only due to those hard times, that you can appreciate the good times.

The Senior Class graduates of 1971 . . . As far as I can see, one of the most promising classes to walk the halls of Scott. These are rough times for teen-agers particularly for black teen-agers.

The individuals in this class will certainly feel the pressures of our changing society. I hope their high school years have provided the necessary skills. But I wonder . . .

An aerial view of Scott's Siebert Stadium before its demolition.

One of the many entrances to the old stadium.

With the dawn of the 1969-70 school year, Scotters were faced with the condemnation of their stadium. Under the able leadership of Mrs. Ruth Sharp, the students as well as concerned people within the community united to rebuild their stadium. The availability of federal funding made the rebuilding an immediate possibility.

In January of 1970, demolition of the Siebert Stadium was begun. In November, less than one year later, workmen were on the job constructing the new Scott Stadium. The efforts of Mr. Rice and the stadium committee are to be commended for raising the necessary funds to make the new athletic facility a concrete reality.

The old . . .

comes down.

the new . . .

goes up.

Miss Martha Kinny and Miss Josephine Horton, advisors.

The past three years for most Juniors have been a period of reorganization and adjustment. Three years at Scott are now behind us. We are little more than Juniors and little less than Seniors. 1972 is our year. It will be, "The Year of the Bulldog".

ABC's of Life

A young man will try anything but will only succeed in what you let him.
Be wise rather than sorry.
Continue to move with caution.
Deal with strangers as if they were just that.
End now what you see is wrong.
Fortune is yours if you want it.
Gather what you can now, tomorrow may be too late.
Hold on to happiness, let go of those who try to take it from you.
Insincerity is the key to unhappiness.
Justice is not always blind but sometimes nearsighted.
Kindness can be shown by the smallest smiles.
Let no man tell you the height of your potential.
Many a fool lost all by trusting too many.
No one knows you better than yourself.
Opportunity, like beauty, is to the eye of the beholder.
Patience, in too great quantities, may lead to great loss.
Queenly manner need not be boasted about, it can be seen.
Reserve a bit of inner strength, not for others but for yourself.
Stop all things that will lead others to sorrow.
Think of a few as friends, more as acquaintances and most as enemies.
Understand more than others think you do.
Vengeance strikes twice, one at the other person, then at you.
Whatever you do, remember those who are doing for you.
Ex-cel in all you can but brag to no one.
You can do a lot more for the world than you think you can.
Zone your heart as you would property, to be used only for certain purposes, one of those not being hate.

During Negro History Week, Scott High received 14 visitors from foreign lands abroad. The AFS students are staying with host families of nearby towns and villages around Toledo for a year and will be leaving in July of 1971. After staying in America six months, they wanted to stay with Black American students for a weekend in order to see how Black Americans live. The students enjoyed themselves wholly and expressed a desire many times to visit Scott High again.

The Cafeteria Board, newly established this year, is a group of dedicated Scotters devoted to the betterment of the Scott High Cafeteria. The Board sees that the food is covered while being transferred from room to room, is open to all criticisms, and tries to see what can be done to improve our cafeteria. Since they've just started out, they haven't reached all the goals they had hoped to, but, with plans in mind, everyone is looking forward to an improved and more efficient cafeteria system in the near future.

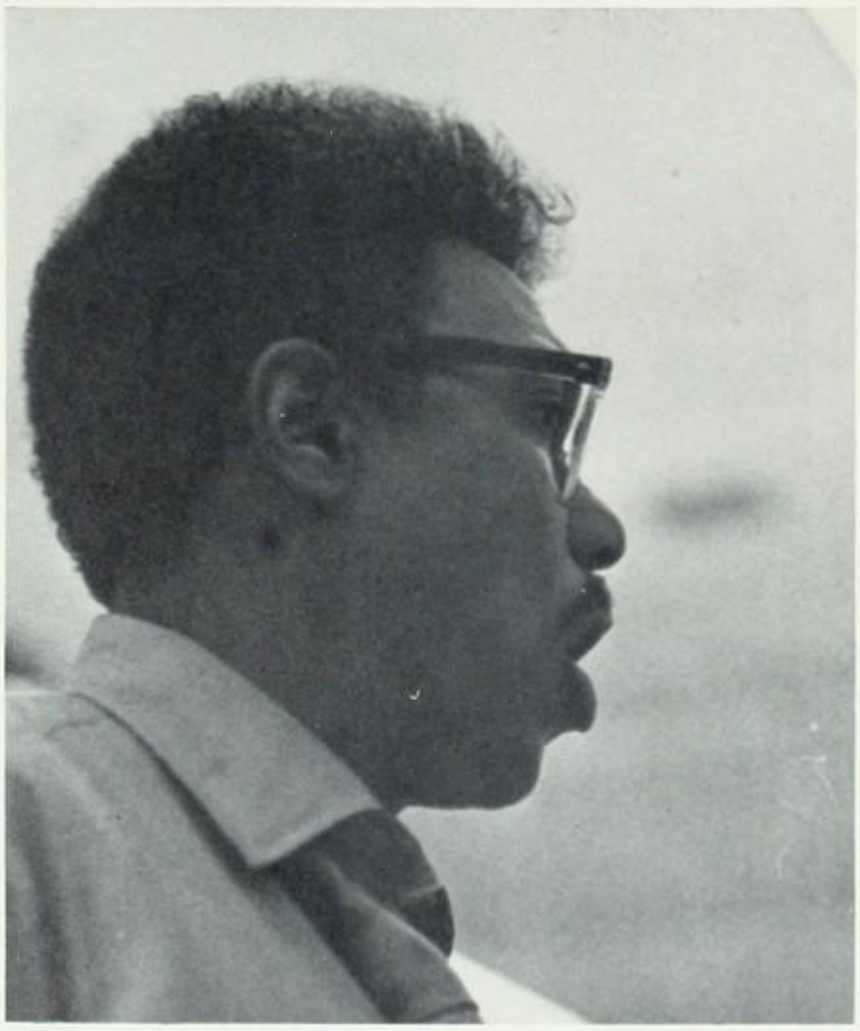
Mr. David Carter, director



Each and every member of Jesup W. Scott High should be grateful that we are blessed with the presence of our Symphonic Choir; this year, 80 voices strong and under the superb direction of Mr. David Carter.

From long hours of hard work, along with the magnificent accompaniment of Anthony Pattin, they have created for us an image of unity and greatness which stands as a monument to what Scotters are capable of accomplishing, individually or combined.

This year they have given the traditional Handel's Messiah, brought home honors from the Solo and Ensemble Contest, and represented Scott at the District and State Choral Contest. Also they have performed at the University of Cincinnati, The Peristyle, and presented the May Festival.

Let us cease to wonder in what mystical way the blended voices create their harmony, or at the grandeur and decorum of each performance, and give them the credit their achievements deserve. They are truly No. 1!

Bulldogs Tie For First

Although there was a large improvement over last year, Scott High's fighting Bulldogs still didn't reach their peak. The Bulldogs started out by defeating the last year's number two ranked team in the state, Elyria, and then pulled out an astonishing victory over last year's City Champions the Bowsher Rebels. After the first two superior victories Toledo Scott was ranked ninth in the State. But an upset loss to Canton Hoover knocked Scott out of the ranks. The Bulldogs came back with four straight victories (two of them shutouts). But again Scott had a setback in Cleveland as the Bulldogs lost a muddy game to Lakewood St. Edwards.

1

On Homecoming Day Scott lost its first and only City League game to Macomber. The loss left Scott, Macomber, and Central in a tie for first place, each with only one City League defeat to its record. With the tie, eight of the remaining city league principals met to vote for the representative of the Red Division. It seems as though the principals didn't know too much about football as they chose Macomber (even though Scott led the city in all major statistics). L. C. Lyons was the leading scorer piling up a total of 30 points. He was followed by Gary Higgs and James Gordon with 24 points each. Billy Anderson was the leader on defense with a total of 69 tackles, followed by Ron Harris with 61.

K.E.H.

All City Standouts

Fifteen Scott football players were chosen All-City and honorable mention. Those receiving first team berths were Johnny Campbell at center, on defense was Ron Harris at middle-guard, and at tackle Bill Anderson. The Bulldogs on second team offense are "Hooker" Gordon at end, Paul Randolph at tackle, with L. C. Lyons at halfback, and super sophomore quarterback Joey Hunt; defense had Joe Quinn an end; a two way ALL-CITY pick at tackle was Paul Randolph, and finally Gary Higgs at safety. The Bulldogs who received Honorable Mention are as listed: Tim Harrison, Karl Stephens, Elmore Watson, Roy Harris, and Greg Sturdivant.

Defense is the name of the game.

Sectional Champions

The young men pictured below accomplished something this year that very few teams have accomplished in past years here at Scott. A group of superb Juniors compiled a 13-7 season record and an 7-4 league record. This is the same record posted by last year's team which many people say was Scott's best team within the past ten years. However that team was dominated by seniors such as Mike Steele, Gifford Moore, Johnny Langston, and Bill Hodges, all of whom were All-City standouts. This year's squad however has already matched their record, as Juniors. Many people feel that next year they will be the best team ever to play at Scott and will probably dominate the city and maybe the state.

Scott's only city league setbacks were against Macomber, Woodward, Start and Central. The loss to Woodward and Start shattered the Bulldogs hopes of playing in the City Championship. Scott however finished second in the Red Division behind Macomber. The 1970-71 team proved to be the team to beat as they took the Sectional Tournament for the first time in 11 years. The Bulldogs Columbus trip was wiped out however by Start in the District Tournament by a poorly officiated game.

The Bulldogs were led by Bernard Pope, Ronald Moore, Jodie Biddle, Keith Williams, Gilbert McCormick, and the Bulldogs only senior LaMarr Norwood. Tyler Seldon, Rob Roberts, and Gary Higgs also saw plenty of action, while Larry Collins and Romero Harthorne rounded out the team. Leading rebounder and leading scorer awards went to Bernard Pope, averaging 14 points and 13 rebounds a game. LaMarr Norwood led in foul shooting hitting on 78 per cent of his shots. Other awards received were Ronald Moore for the "Most Valuable Player", Jodie Biddle for the "Best Defensive Player".

Gilbert McCormick earned the "Most Improved Player" award, and Keith Williams the "Sportsmanship" award, while Larry Collins achieved "Scholastic honors." Bernard Pope, Ronald Moore, Jodie Biddle, and LaMarr Norwood were also All-City performers.

A fair warning to all opponents of next years Scott's Varsity Fighting Bulldogs, Beware.

Junior Varsity Finishes Second

Larry Collins arches the jumper.

Scott's 1970-71 Junior Varsity Basketball team finished second the Red Division. The team was led by an outstanding group sophomores such as Jerry Fowler and Johnny Mitchell who al played at the varsity level during the tournaments. The team post a 8-3 division record and a 12-4 total season record. The tean only setbacks were against Findlay, Macomber, St. Francis, and L bey. This left the Bulldogs only one game out of first place.

Frosh Capture Championship

The 1970-71 Freshman Basketball team took first place in the City League with a 15-1 total season record. The Bullpups behind the balanced scoring of Gordon Dumas, Clarence Johnson, John Atkins, Charles Ali, and James Jordan also won the City Tournament held at Rogers. Most of the board control was done by Jordan, Johnson and Dumas. First year coach Dwayne Simmons not only taught his young men to work together as a team, but also instilled in them the fundamentals of Basketball.

Cross Country is Guts, Determination and The Test of a Man.

This year's Cross Country Team was probably Scott's greatest even though it was inexperienced. Only one of the varsity runners had experience. Co-Captains, Anthony Wilson and Donald Brown exerted the necessary leadership. The scoring was led by Jimmy Mack, Edmond Lomas, John Allen, Donald Brown, Tyrone McBee and J.V. alternates, David Jones and Walter Sansbury. Mack received the trophy for most Valuable Runner, John Allen for Best Sophomore, and Tyrone McBee, Most Improved Runner.

This year's team finished 23rd of over 50 teams at the Cleveland St. Joe Cross Country Invitational. The J.V.'s finished 18th at the Bowling Green Cross Country Relays. Scott finished 20th out of 38 teams. The team led by Mack finished 6th in the City with Jimmy Mack winning All-City Honors. The J.V.'s finished 3rd in the City. Scott finished 9th in the 1st Divison of the Sectional Meet with Jimmy Mack finishing 7th to qualify for the District Meet.

Wrestlers Finish Low

This year's team was paced by Regal Haynes, city and sectional runner-up. He followed in his brother Donnie's foot steps by qualifying for the state meet in Columbus. Next year Regal hopes to be a state champion.

Other wrestlers who placed in the city meet and helped the wrestling program greatly were lettermen Lucean Harris, Steve Anderson, and John Lee. It is hoped that the experience gained this year and the leadership shown by the seniors will drive Scott nearer to the city championship next year.

Varsity Baseball

The 1970 Varsity Baseball team placed fourth in the Red Division with a 7 won and 11 loss record. The team was led by a group of outstanding juniors and seniors. Co-captains were James Beene and Nate Floyd. The team also had superb players as L. C. Lyons, Roy Harris, Ron Harris, Marv Hudson, Mike Hampton, and Greg Hunt. Senior with the highest batting averages were Duane Hughley, James Beene and Terry Crenshaw.

The Bulldogs combined a hit and run game, with a long ball game that proved to be very successful at times. Coach Ron Disher stated that team's success however was achieved by team effort.

Golf Returns

The Scott High School golf team reorganized in the spring of 1970 after a year of not having an interscholastic team. The squad participated in two championship tournament matches and placed 10th out of the other high schools in it. The team will have a full schedule competing with the City League schools and also with other high schools in Northwestern Ohio starting the spring of 1971.

City Champions

Bulldogs take the early lead in the 400 yd. dash.

Ronnie "Rooster" Taylor all alone at the tape.

Due primarily to inexperience and untimely injuries, the Bulldogs were not able to capture their traditional place as number one in the city and district. However, they did manage to keep intact a ten year string of 46 victories in dual meet competition with no losses. This year's team depended on the scoring of senior Frank Crawford and junior Ronnie Taylor.

Scott's representatives in the state meet were Frank Crawford, who finished 6th in the 220, and Ronnie Taylor, who finished 2nd in the 440. Taylor set a new school record of 48.0 in the mile relay, which was the 2nd best time in the state (3:18.9), but finished 5th in the state meet. A team dominated by sophomores, with good leadership, desire, and attitude, next year's squad will have the ability to possibly give Scott its 6th state track crown.

Girls' Varsity Basketball Team Strides With Pride

This year the girl's varsity basketball team improved some but didn't reach their goal. They won 3, lost 5. The team was led in scoring by Retha Carr and Carol Saunders. Next year the girls hope for a winning season. This year the captain of the girls basketball team was Luzon Moore and the coach who wouldn't quit, Miss Jill Gruber.

DON'T SELL BUSINESS SHORT

You hear a lot of talk these days about the business world being a pretty dull, humdrum place. Some say it offers no really meaningful challenges. No opportunities for individual expression. Law, medicine or the Peace Corps perhaps. But not business.

Don't you believe it. American business today is a highly demanding institution. With plenty of room for personal contribution and growth. And if you feel strongly about man's social responsibility—business offers a unique opportunity for self-expression in this area, too.

Most likely you have further schooling ahead of you. But that day of decision on your long-term future is coming sooner than you realize. If when it arrives you've established a record of good grades and participation in extracurricular activities—think seriously about the rewards of a career in business—with us.

This amazing combination of plastic plus Owens-Corning glass fibers is putting strength and durability into a majority of pleasure-boat hulls built today.

Fiberglas* plastic is improving a huge variety of other products, too—such as pipe, car bodies, tanks, vaulting poles, and skiis.

In fact, it's estimated there are more than 33,000 ways Fiberglas materials can profitably replace metals, wood or cloth. They're already in many of these uses right now, moving fast into others.

Your career could go full speed ahead at Owens-Corning, too. There are hundreds of opportunities. For information, write us: Owens-Corning Fiberglas Corp., Fiberglas Tower, Box 901, Toledo, Ohio 43601.
